### FOUNDATION FOR THE ACCREDITATION OF CELLULAR THERAPY TAKES FIRST STEP IN TRANSITION WITH NEW EMAIL DOMAIN AND PHONE NUMBERS

OMAHA, Neb. — FACT is pleased to announce the first step in efforts to transition to an enhanced website with the establishment of a new email domain and phone numbers. “With the objective of business development in a global market, FACT has registered the domain name [factglobal.org](http://factglobal.org). Effective Immediately, all FACT communications will be issued using the new factglobal.org domain and phone numbers,” said Alisa Forsythe, FACT Information Technology Business Analyst. To ensure a smooth transition, all emails addressed to the UNMC based email addresses will receive an automatic reply announcing the domain name change and emails will be forwarded to the staff member’s new email address. The following is a comprehensive list of updated staff contact information.

**About FACT**

Founded in 1996, FACT establishes standards for high quality patient care and laboratory practice in cellular therapies and regenerative medicine. FACT is a non-profit corporation co-founded by the International Society for Cell and Gene Therapy (ISCT) and the American Society for Transplantation and Cellular Therapy (ASTCT) for the voluntary inspection and accreditation in the field of cellular therapy. FACT promotes improvement and progress by establishing minimum standards, providing education, and inspecting and accrediting programs worldwide.
